A 2"x3" tribute to those who protect 3.3 million square kilometres.

On the occasion of the 70th anniversary of India's independence, we present a special edition of the 811 Digital Savings Account. It has all the usual 811 benefits - instant account opening, up to 6%* interest p.a., zero charges on digital transactions and non-maintenance of balance, the freedom to shop, pay, and bank - plus one very special feature. A chance to thank the valiant men and women who safeguard our freedom.

Download your 811 Digital Savings Account before September 15, 2017 and opt for the specially designed #ThankYouFauji Debit Card for just ₹99*. We will commit this entire amount towards supporting the education of our soldiers' children. It's just a small way of saying a big thank you, together.
